“ I love you mom so much love \u2764\u2764\u2764\u2764\u2764 I have such great memories of you and dad and you both were my best friends. You were always there for me , dad and Brittney. You were the most caring and loving person I know. I never thought I\u2019d lose you so soon after dad \ud83d\ude1e. We helped each other deal with that huge loss and I don\u2019t think you could live without dad. It is so difficult to do but we have the hope of all being reunited one day soon but right now it tears my heart for losing both of you.\ud83d\ude29\u2764\u2764.

“ Those are lovely photos and bring back many happy memories for us! She was always interested in, and cared about others. She never complained but was always ready with a happy smile. We have known Pat for a very long time. We will sorely miss her, and our only comfort is that we surely hope to see her again when Jehovah makes this world a Paradise as He originally purposed. Then He will bring back our loved ones who have died as promised in Job 14:14, 15 where it shows he longs to bring dear ones like Pat (and Warren) back to life . What a joyful time that will be!! We take comfort in that. Our thoughts are with you at this difficult time Darren, Brittny and family. Love, Don and Winnie

“ I worked with Pat at the Royal Bank for many years. She was such a great worker and I have never seen anyone count money as fast as she could. The customers loved her and so did her coworkers. My deepest sympathy to her son and granddaughter..A great lady.
