“ Dear Miriam, Pietra, Peter and Family, I am so sad to hear of Pete's passing. He was a cherished friend of my late husband Bernie and known to me since the age of 15. He was a kind and gentle out with a charming chuckle. May God give strength and healing as well as the ability to cherish in the abundant Happy Memories. All my Love, Cathy Lessard

“Pete was my lead hand at Pan Oston. He was one of the best people I ever worked with. His honesty, integrity and ability to communicate made him a great leader. Our group had a good rapport, lots of laughs, jokes and good times. It wasn't the same after he left. To Miriam and family, my deepest sympathies for your loss. May you find peace and comfort in your treasured memories.

“My late parents, Peter and Catherine Ferren, always enjoyed visits from Peter and his family at our home in Niagara Falls. It seems like yesterday but was many years ago now. Dad also loved seeing the entire family at get-togethers when visiting with Peter's parents, his sister Audrey and his brother-in-law Hubert. Our deepest condolences to Miriam, Peter, Pietra, and all their loved ones at this difficult time. ~ David & Kim Ferren

“Please accept my sincere condolence on the passing of Peter. I worked with Peter's Dad at Outboard Marine and I got to know Peter quite well when he did painting jobs for the Catholic School Board. He was a true gentleman. Jim Fitzgerald
