“ I will always cherish the time me and my daughter Hailey spent with my Dad/Papa Rob over the past years, especially the past 2 years and months. My Dad was a private man, stubborn man, but had a huge heart, was loyal and generous and really cared about those he loved and cared for. He always spoke highly of the neighborhood and always expressed his gratitude to his neighbors and friends for their help throughout the years. You all know who you are, thank you from the bottom of our hearts. I love you Dad and will carry on your legacy throughout my life and Haileys. DAD, enjoy your time in heaven, we will see you soon enough. One Love.
