“ I am so sorry to hear (so late) of Bob's passing! We bought the house from Bob in 2015 and I had the opportunity to get to know Bob a little through that process. He was a WONDERFUL human being and it was clear he was still very much in love and devoted to his beloved Lois. While getting to know Bob a little, he took me through a bunch of family photos and told me lots of stories of his kids and about his travels with Lois - you could tell from the photos and stories they were best friends. We even found some writing on the kitchen wall from the kids when we took the wallpaper down in the kitchen - which was such a fun surprise that made us smile! We loved Bob's house as soon as we went in - it was a home with a warm, comforting feeling - it felt like a loving family lived there. I will never forget Bob - he was a truly lovely family man. Peace to his family and loved ones.

“ As members of Westdale United Church we are so sad to hear of Bob's passing. He was such a cheerful addition to the environment at Westdale always with a joke or humorous story. Bob and Lois, when Lois was able, were the epitome of a loving couple. Bob's caring and empathy was truly authentic. We both enjoyed so very much the personal one on one conversations we always had with Bob as a result of his engaging personality. It truly was an honour to have been a church friend of Bob. May peace abide with all members of his family. John & Stephanie MacDonald
