

Robert Orman

July 11, 1943 - March 5, 2022

Robert Orman went to be with his Lord and Saviour, Jesus on Saturday Mar 5, 2022, at the age of 78. He was the loving husband to Patricia for nearly 56 years, proud father of Jeffrey (Maria) Orman, and Elaine (Doug) Crawford, and loving grandfather of Clara, Alexander, Caleb, and Kieran. Elaine's dog Jasper will miss his tug-o-war. Robert was pre-deceased by loving parents Eileen and Leonard, and sister Rosemary. He is survived by his sister Elizabeth and will be missed by many family and friends back in England.

Special thanks are expressed to Drs. Becca Webster & Sachin Waghmar, nurses, and caregivers associated with PRHC, Hospice, and also the staff and residents of Sherbrooke Heights.

A Celebration of Life will take place at Ferndale Bible Church at 11:30 am on Sat. March 12. For those wishing to view the service via video link that haven't been directly in contact with the family, please email jorman@hotmail.com.

Robert's relationship with Jesus was an essential part of his life. His thankfulness and joy compelled him to serve and build relationships that would lead to others knowing Christ as well. He would fight for the cause of others, and his love was conveyed with a smile. You'll find him in the Canoe section of heaven.

In lieu of flowers, the family requests that donations be sent to Focus on the Family, the Canadian Cancer Society or Brock St. Mission, Peterborough.

“\u201cPapa Bear\u201d was like a father to me\u2026caring, loving, fun, and kind. It was from you two (Mama and Papa Bear) that I learned the fun term \u201ccanoe-da-ling\u201d, lol. Always appreciated how you two loved each other fully, faults and all; you were a wonderful example of how a healthy, godly and fun marriage should be! Forever in my heart, love Goldilocks (aka JJ)

“ My thoughts and prayers go out to you Patricia and all Robert's loved ones. Robert was an ambassador to the community choir and worked very diligently to keep us all together by doing his part, he is not forgotten and was very much appreciated. May your memories turn your grief into a better place as you grieve the lost of your loved one. Rip Robert in the land of song.

“ I want to express my love and encouragement to Jeff and the rest of Robert's family. Robert and I became close friends during the time we worked at Chalk River Laboratories. He was a strong supporter of our lunchtime Christian Fellowship meetings, and was an encouragement to me in both word and prayer. I will look forward to seeing him in glory (1 Thessalonians 4:13-18).
