“ Our condolences to family, and friends of Bob. Growing up in Otonabee (Assumption), was always packed with kids, fun, family, more kids, more fun. I am saddened by this news, as Bob was such a good neighbor, parent, community minded husband. To all the kids, Anne , I want you to know Bob was very well liked by the many, many kids that grew up around that area. I was one of those kids. For some reason , all the parents in that community were respected, and liked. I will always remember that time, and that area. The Old Keene Road. Paul Carey , Linda Livings
