“ Our sincere condolences to the entire Bell family. We bought a house on Rolliston Street two years ago and Mrs. Bell was our neighbour, Our backyards were connected and we had several great chats over the back fence between her BIG barn and my little barn. My son, Jameson, and I helped her do a bit of racking on her large property the last few years. We even brought the students from Lakefield College to help one year. She was always so kind and she enjoyed seeing Jameson playing in the backyard at our new home. We will miss her. Please let us know if there is anything we can do to help out. Our thoughts are with you during this difficult time. Garret, Jess, Isla and Jameson Hart

Our deepest sympathy to the entire family. Her sister Alyce was a dedicated employee for many years and a wonderful friend. So sorry James and Andrea and Alyce and Bob.
