“ *Karen, Bruce and Families:We are so sorry for your loss. We have so many good memories of growing up on Ontario Street in the 70's-- back and forth to each other's houses, playing in the back yards-- all of you. Years go by quickly and we don't know what each will bring. But we are grateful for all of those days. May you all be comforted as you grieve the loss of your sister/aunt, Sharon. Much love sent to all of you from the Preston Family.*
