“ My love to Deb and all of Shirley's nearest and dearest. I only had the privilege of meeting Shirley once, when she kindly hosted us at the lake, but I have abiding memories of her warmth, generosity and good-humour. We spoke quite a bit about her love for PEI, and I'm sure she'd be so happy to know she'll be remembered there in July; we'll be thinking of her too on this side of the pond.

“ In 2013, my son Steven and I made a memorable visit to Canada. We were warmly welcomed to Belmont Lake by Shirley, Deb and Norman. Our families had stayed in regular contact over many years, sometimes meeting in England, but it was a pleasure to be able to share time with Shirley and Norman in their home. Love from Christine Donohue.
