“ I remember you Sondi. The most beautiful doll with the biggest round eyes of crystal blue looking out and wondering why. I couldn't answer as I didn't know. You know now don't you Sondi? Now you know why I loved you then as I do now, your mischievous winks and precious smiles Thank you for your love & heart, it stays with me now a forever spark. Rest now dear sister, All's good & well, You're free to fly, Gone the spell of Charlotte

“ Sending my unconditional love and condolences to all who loved and knew Sondi. I had the great honour of supporting Sondi for roughly a year and a half. She never failed to make me smile and laugh. She was the light in every room. Sondi will be forever missed and loved by all. May her beautiful soul rest peacefully.
