“ I met Steven three or 4 years ago with an add I had put out for work doing gardening .We hit it off from the first day I met him and had a great day .After that he kept having me back and then we started to have a great friendship going to garden centers out for lunch and had some very great and lovely conversations over Timmy's and an awesome bowl of soup . He was very much my kind of person with a great sence of ha ha and a heart for the less fortunate. The last time I saw Steven I never ever imagined it would be my last .I will forever treasure the laughs we had and him cracking the whip as he would say with a chuckle .I at this moment am smiling and tearing up at the same time . Rest in Peace my friend .Remembering you always . Chanti

“ I am deeply saddened to learn of Steven's passing. He was a good friend when he lived in Timmins. Steven and I decided we wanted to move to Toronto and we shared a condo for some 3 years. During that time my young brother became very ill and I will never forget how kind Steven was to me and my family. Steven was a genuine friend. My condolences to Bud and his family. RIP my friend.
