

Steven John (Steve) Waterman

October 28, 1954 - February 23, 2023

Steven John Waterman of Selwyn, Ontario

October 28th, 1954 - February 23rd, 2023

It's with deep sadness that the family of Steve Waterman, age 68, announce his passing at the Peterborough Regional Health Centre following a brief hospitalization. Steve was born in Peterborough, ON and employed at General Electric in his earlier years. After a debilitating accident, he spent his time helping others as best he could.

Predeceased by his wife, Brenda Waterman, his older sister, Janet Foley, and his parents, Edwin and Jean Waterman. He is survived by his son, Tyler Waterman (Emily) and his daughter, Sarah Waterman (Shaun) along with his oldest brother, Daniel Waterman (Dianne), and his nephews Adam Foley, Toby Waterman and Shawn Waterman. He will be missed by many other family and friends and remembered for his kind nature and laughter he brought to those who loved him.

Steve's son, Tyler, would like to extend a special thank you to his sister, Sarah (and Shaun), who have given a decade looking after their father, along with their mother and grandmother, until their passing. A private family service will be held at a later date.

NC

“ Tyler and Sarah -- I was so sorry to hear that your mom & dad had passed. They were our first friends (through GE) when we moved to Peterborough from Scarborough. We spent all of our weekends together playing cards and rumoli and many dinners at each others' homes. We were there when you were born and I am so proud to see the wonderful people you have grown up to be. I had met your dad a few times in home depot and had dropped in a few times to see them but unfortunately we lost touch a while ago. He was always on hand to help me with anything when I needed him. My sincere condolences go to you. He was very special. Our families had such wonderful times together. Nancy Cator.
