May 8, 1965 - March 6, 2021

TOPPING, Teresa

It is with deep sadness that we announce the passing of Teresa Topping at Lakefield Extendicare on March 6, 2021. Born May 8, 1965, Teresa was supported for many years by The Sisters of St. Joseph Peterborough and especially by Sr. Sandra Boyer. The last couple of years Teresa was cared for by the wonderful staff at Lakefield Extendicare. Teresa loved to colour and read but especially loved cats and dogs. She enjoyed the visits with her dog pals pre-covid.

Mental health was a burden that caused major difficulties in her life. In honour of Teresa, please treat people with mental health issues or those who are victims of homelessness with respect. She was dearly loved and will be deeply missed by Sr. Sandra Boyer and Carmel Connelly (who she called Mom) Post covid there will be a Celebration of Teresa's Life.
