

Terry Mels

October 27, 1960 - February 9, 2022

Terry Lloyd Mels of Buckhorn, Ontario, age 61, passed away peacefully among family after a brave battle with ALS. Just like he dealt with all experiences in life, Terry managed his illness with strength and grace, and wanted to spend as much time as possible with his family and friends who he loved more than anything else in the world.

Loving son to Maurice and Peggy Mels. The very best dad of Tara (Matthew) and Troy (Laura). Proud papa to Declan, Fiona, Emma, and Della. Big brother to Tammy and Trudy.

He will be sorely missed by his loving sweetheart Angela, and many close friends.

Terry was an avid outdoorsman and someone who was always willing to help. In his final act he gave the gift of life as a Trillium Gift of Life organ and tissue donor.

Thanks to the many individuals who have supported Terry and his family through his illness through their many acts of kindness and generosity.

A celebration of life will be held at a later date. Aquamation has taken place.

As expressions of sympathy, donations to the ALS Society of Canada would be appreciated.

Heartfelt thanks to his healthcare teams at Sunnybrook, PRHC and SE Health. Their dedication and compassion is truly remarkable.

“ You have been taken way too soon, cousin. Even though we had only kept in touch through facebook in the last few years, the family connection felt good and I really enjoyed the short but meaningful conversations we had. My heart is sad. RIP, Terry. Condolences to family and friends. Anita (Mels) Bolt

“ *What a sad day! The world has truly lost one of a kind! Our condolences to Terry\u2019s family. Heaven had better look out they have a master hunter joining them. Terry was such a likeable, personable joy to be around. To me Terry was a confident and always gave a lending ear when I needed. Terry helped my daughter pass her math exam for college and god forbid she need to do it again because I don\u2019t know who I\u2019d call. My favourite was when I\u2019d be out walking the dog and hear noises and see tracks I would always send them to him to see what they were. You will be terribly missed! Heaven has another Angel.*

“ *Childhood friends may not always be on your mind, but they are forever in your heart. Covid may have prevented us from getting back together to reminisce about our good old Northfield area days but it will never prevent me from remembering you and our memories forever. Good night my prince of a friend. May a flight of angels sing thee to thy rest. - Dave Thomas*
