Tracey Sterr

November 12, 1958 – September 23, 2025

We mourn the loss of our dear sister and friend Tracey Sterr (nee Cross) in her 66th year.

Tracey leaves behind her older brother Mark (Kathy) and younger brother Terry (Judy). Her nieces Angela (David), Meaghan, Karen and her nephew Darren (Holly), her sweet great nieces Ellie, Clara, Sara, and great nephew Thomas.

Tracey had lifetime friends Marlene and Paul Anthony who were also her 2nd family, along with the Anthony's children and grandchildren whom Tracey loved and enjoyed being with. Tracey made some great friends over her lifetime. Some she left behind in Edmonton, some she worked with at GM Financial.

Tracey met and spent time with the wonderful people that also lived in the same apartment building. One thing for sure, anyone with a dog or a cat knew our Tracey.

Tracey is predeceased by her parents Jack and Joan Cross, her sister Deborah Fredenburg (Bob) and her cherished Golden Retriever Maddie.

Tracey will be buried during a private ceremony alongside her mother at St. Peter's cemetery.

The family plans to have a small celebration of life October 17th, 2025, from 1:00pm - 3:00pm at Willowcreek Blvd. Entrance is at the back of the building

“ We were so lucky to have Tracey as a bonus Aunt all these years. We loved having her at all our big events just as much as she loved being apart of them. Her sense of humour and big heart will be greatly missed. Sending our condolences to her family and friends, as such an awesome lady has left us way too soon.

“ In Loving Memory of Tracey, We can't believe you left so soon. You were such an important part of our lives there from the very beginning, always cheering us on, asking about our kids, and sharing in every milestone along the way. You were not just our mom's best friend you were part of our family. Your kindness, laughter, and genuine care will always be remembered and deeply missed. Angie, Kelli, Josh (and families) xoSending condolences to your brothers and families and everyone who knew and loved you.
