“ Our sincere Condolences to David and Lori and their families. So sorry to hear of the passing of your Dad. Bernie I worked with Trevor for many many years at \u2018Consumers\u2019 Gas\u2019, now Enbridge. He was a great co-worker always willing to help others. His quick wit and cheerful personality made our workdays memorable and productive. Back in the late 60\u2019s Consumers was like one big family with lots of after hour family fun from picnics in Beavermede to dances. Seems so long ago now. Rest in peace Trevor. You were a great man.
