“ I will love you forever, Colton. I know one day we will reunite in heaven, where I know you are now. Fully healed, healthy, and happy. I'll miss all the things we would have done, all the things we have done, and I'll miss having been able to grow old with you. I'll have you in my heart forever. My one and my only. I love you. Rest easy, my baby.

“ Not really sure where to begin, you stated as a coworker, an it grew into a friendship. We lost touch for sometime and I wish this wasn't the way we reconnected. You always had a smile on your face, willing to help all your colleagues in anyway, and just the most positive personality. Make sure to shine down on us all now and then. You'll never, ever be forgotten. Rest peacefully, Colton.
