

## Walter Mulliss

November 9, 1935 - November 25, 2022

Walter Mulliss of Peterborough passed away with his family by his side November 25, 2022. Dad just celebrated his 87th birthday November 9th.

He was a loving husband to Marilyn and had missed her so much since her passing January 21, 2009. He was a loving dad to Heather (Andy) and John and cherished papa to Jon, Connor (Kelsey) and Kiera (Kyle) and special pops to Brenda Masters. Thank you to all dad's nieces and nephews and friends over the years.

Whether it be his camping friends, fishing, hunting, coffee buddies or just a hi, how are you friend. Dad reflected on you many times telling great stories. We are so fortunate and will treasure our many great memories of Dad.

A private service will be held at a later date.

With Love

The Mulliss and Nimmo Family
