

William "Bill" Woodcock

March 16, 1944 - January 17, 2025

WOODCOCK, William (Bill, Biff)

Passed away peacefully with his family by his side on Friday January 17th, in his 81st year. Bill is no longer in pain and can now rest peacefully. Bill was a devoted husband, father, Papa and friend. He leaves behind his beloved wife and caregiver Donna (nee Wildman) after 57 years of marriage who doted on him faithfully until the very end, with no complaints. (maybe once or twice) Father to Derek, and his wife Karen and Darlene Harrison and her husband Pete. Dad was always the brunt of our jokes and always laughed along with us. He taught us the strategic skill of nicknaming, one liners and quick wit. Proudest and biggest fan of his grandchildren Cody (Emily), Jake Harrison, Matthew, and his precious granddaughter Dakotah. Special Uncle to Jenn Wildman. (Pooey)

Special shout out to the medical team at PRHC on all of levels for the exceptional care they provided Bill from the beginning to his last moments. He died with dignity and we thank you for that.

Friends and family are invited to Bill's Celebration of Life on Saturday January 25th, from 1:00 – 4:00 pm at Keystone Golf and Country Club at 2402 Clifford Line in Cavan Monaghan.

Donations to Peterborough Humane Society, Peterborough Brock Mission and

the Heart and Stroke Foundation align with Bill's strong desire to help those who cannot help themselves. Online condolences may be made at CommunityAlternative.ca

“ Met Bill and his family at the Laker lacrosse games. He was a huge supporter. Sitting just in front of us, we shared many opinions and conversations at the games. Always good fun and looked forward to as the Lakers achieved their Mann Cup goals. A great guy who lived a good life even putting up with some of his handicaps over the past few years. My thoughts are with his family.
